

Emerson's Local Business Partner Organization

Emerson's Local Business Partners (LBPs) serve as the exclusive sales channel for many Emerson brands of equipment, including Fisher Flow Controls, Delta V Systems, Fisher Regulators, and Remote Automation products in the United States and Canada. Emerson has unique partnerships with their LBPs that connect customers with world-class solutions, superior technical expertise and lifecycle services. Emerson and the LBP Community have the expertise to address your toughest challenges.
