Basic Valve Sizing Questions

Usage: Pressure Reducing/Back Pressure/Suction Control

Valve Inlet Pressure _____

Max Shutoff Pressure _____

Flowrate(s) _____

Line Size _____

Outlet Pressure _____

Media: Gas/Liquid/Other _____

Temperature _____

Fail Open or Fail Closed _____

Flange Rating _____

Connection Type _____

Noise Level Requirement _____

Accessories: Positioner, I/P, Pressure Controller

Control Signal: 4-20mA, Hart, 3-15 psi, 6-30 psi?

Body: SST/Steel? Sour Gas or NACE? Delivery Req'd, Quantity, etc.
